

Plan Your Summer Internship

Customizable Classroom Lesson Plan

Learning Format: Virtual/Remote, Hybrid, and In-Person

Academy Theme: All Academy Themes | **Duration:** 2+ Weeks

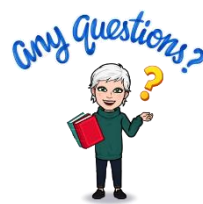

LESSON OBJECTIVES

Students will:

- Articulate ways in which internship experiences enhance their post-secondary aspirations.
- Research how they can search and secure their summer job/internship.
- Engage in group conversations to share their knowledge about internships.
- Attain a Skills Builder Badge from IBM.

BLENDED LEARNING STRATEGIES USED:

- 5E Model of Instruction
 - [What is the Five E Model of Instruction?](#)
 - [5E Model in Blended Learning](#)
 - Templates:
 - [5E's Lesson Plan Template](#)
 - [5E's Instructional Model Outline](#)
- Bitmoji
 - [What is a Bitmoji?](#)
 - [How to Use Bitmoji Chrome Extension](#)
- Bitmoji Classrooms
 - How to Make Your Own [Bitmoji Classroom Using Google Slides](#)
 - How to Create a [Bitmoji Classroom with PowerPoint](#)

Part One

Teacher Preparation:

Bitmoji Classrooms allow teachers to add some fun elements to their online learning assignments. Using well-known applications such as PowerPoint or Google Slides has become a popular way to engage with students at all grade levels.

- [Create Your Bitmoji](#) to personalize the Plan Your Summer Internship project.
- Use the student resource [5Es Stages to Plan Your Summer Internship](#) to guide students through the project.

Teacher Resource: [Internship Week Video Series](#) (CTSO Projects/Jobs to Internships/Service Learning/Virtual Internships)

- Watch *Jobs to Internships* that provide tips for students to turn summer jobs into internships.

Plan Your Summer Internship

Customizable Classroom Lesson Plan

Learning Format: Virtual/Remote, Hybrid, and In-Person

Academy Theme: All Academy Themes | **Duration:** 2+ Weeks

ENGAGE: Whole Group/Class

Icebreaker Discussion & Activity:

- Use the [Plan Your Internship - Bitmoji Classroom PowerPoint](#) to review the 5Es stages.
- Run the video: [The Value of High School Internships](#).
- Brainstorm potential challenges and solutions for obtaining high-quality summer experiences.

Potential Tools:

- [Padlet](#)
- Google Classroom Question
- [Mentimeter](#)
- [Peardeck](#)

ENGAGE: 5E's Independent Assignment

- Have students work independently through the ENGAGE stage (slide 1 & 2) of the [Plan Your Internship - Bitmoji Classroom PowerPoint](#).
- Use the student resource [5Es Stages to Plan Your Summer Internship](#) to guide students through the project.

EXTENSION ACTIVITIES – OPTIONAL

High-value summer experiences may not be a job or an internship. Here are some alternative activities that can differentiate students from the pack.

Free Summer Programs for High School Students in 2021

Students can amp up their resumes for college applications and future career aspirations by participating in:

- Prestigious summer programs such as these recommended by the [World Scholarship Forum](#)
- Post-secondary opportunities for students [NAF Spring and Summer 2021](#)
