

NAF PRESENTS

# HEAR FROM A NASA ENGINEER

December 11, 2020 | 12—1pm PT  
(2-3pm CT / 3-4pm ET)

[REGISTER NOW](#)

Get the chance to interact with Matt Heverly,  
NASA Robotics Engineer, and learn all about:

*Why do we care about Mars?*

*Is life unique to Earth?*

*What's the Mars 2020 mission?*

*What does a robotics engineer do?*

*How can I get a job at NASA?*

*...and more!*

To prepare for the presentation, access these  
great engineering resources [here](#).
